Throughout Sue von Fange's 40-year career in public ministry in The Lutheran Church – Missouri Synod, she has served in eight settings, one of which was in Canada. She has consistently demonstrated a keen capacity to lead fellow staff and congregational members into a fuller and deeper relationship with Jesus Christ. While serving her current congregation – Trinity Lutheran in Clinton Township, MI – Sue has engaged over 100 people on the KINDLE Servant Leader Journey, has raised up seven group leaders, and has seen many led into other ministries. She has made significant contributions both in the wider Church and in refining KINDLE's resources and process. As a person who is humble, thoughtful, and keen to edify others, Sue is a master at helping people recognize and use their God-given gifts.
