

## **Cultivating Second Chair Leaders**

*Conversations about living out servant leadership in the second chair*

### **Episode #008: Highlighting Resources for Second Chair Leaders: Christ-like Servant Leader Journey Guides**

June 1, 2022

On this bonus episode of “Cultivating Second Chair Leaders” we talk with Cheri Selander, a 2nd chair leader in a church ministry setting, who has been trained up and coached others through KINDLE Christ-like servant leader practices. We talk about a tool called a 'Christ-like Servant Leader Journey Guide' and she shares how she uses this resource to help others learn Cultivating Faith practices.

#### **Quotes for Reflection**

- “We are trained and it’s more part of our DNA...as second chair leaders, to be a team player. To influence and to show our first chair leader in positive ways, what it does mean to be a part of a team.”
- “I became a champion of ‘We have got to help our people grow as leaders, not just for the benefit of our congregation, but to benefit God’s Kingdom.’”
- “Don’t forget the influence you have on anybody in your congregation to use this resource as a tool for practices of faith.”

#### **Scripture for Reflection**

- John 13:1-13

#### **Engagement Questions/Next Steps**

- How do you help others recognize themselves as leaders?
- “I love this resource [Servant Leader Journey Guide] because it’s centered in Scripture.” What is a feature that you love about this resource?
- How does this conversation with Cheri encourage you to ‘try again’ to engage with KINDLE resources or other ministry tools in your setting?
- Do you have an intentional plan to help others join your leadership pipeline? How could this resource be utilized as you create or refine this plan in your setting.
