

CULTIVATING THE FAITH OF STUDENTS

An 8-week journey to discover faith-filled practices
to grow as Christ-like servant leaders

Q: Who is the primary audience to purchase this resource?

A: Youth leaders (Full/part time church professionals–DCE, deaconesses, pastors, lay leaders, etc...) to use with high school students.

Q: What is KINDLE?

A: The Karpenko Institute for Nurturing and Developing Leadership Excellence (KINDLE) is an organization whose mission is to foster and multiply generations of Christ-like servant leaders. All of our resources are created with that purpose in mind. You can learn more about the initiatives and additional resources we offer at www.kindleservantleaders.org.

Q: Is this a replication of the original KINDLE Servant Leader Journey Guides?

A: No. Learn more about our original journey guides here:

“Cultivating the Faith of Students” is meant to be purchased and led by an adult leader with an audience of high school students. This resource allows for the material to be used in a variety of ways. This resource also comes with digital files like visual presentation tools, printable student handouts, etc... The leader guide should be able to be used as many times as you choose to lead the material.

Q: What is included when this resource is purchased?

A: You will receive a physical copy of the leader guide. Inside the book, there is a QR code, when accessed, you will receive an additional folder of digital files which include the following:

- *Social media images to share weekly Bible readings w/ students*
- *Printable handouts for students to participate with the material.*
- *Editable visual presentations for use in your youth group setting.*
- *List of supplemental video options for various lessons, and more!*

Q: How long will it take to complete this curriculum with my students?

A: This is an 8 week series. Each lesson is 60-70 minutes, but has enough options for you to adjust for your students and setting.

Q: What is the format of a weekly lesson?

*A: Entrance Ritual and/or Opening Prayer
Interactive Community Building/Highs & Lows
Growth Plan Check in (with optional SMART goal teaching)
Christ-like Servant Leader Teaching
Group Discussion
Next Steps and Closing Prayer*

Q: Could students assist in leading the material?

A: The way the material is set up, you could very easily engage students as small group leaders for the discussion portions of a weekly lesson.
